STATE CAPITAL
Highlights AND Sidelights

TEXAS PRESS ASSOCIATION

AUSTIN, TEX.—By the time Austin sweeps up the last of the holiday tinsel, it will be time to prepare for another round of festivities.
Committees already are meeting to plan details of the inaugural events that will attract thousands to the Texas capitol, come January 17.
Gov. Price Daniel will take the oath of office for his third term; Lt. Gov. Ben Ranney, for his sixth term. If weather permits an inaugural parade these two officials will ride at the head of it up Congress Avenue, to the Capitol grounds where the swearing-in ceremony will be held.
A reception and a half-dozen balls will fill out the day. For his past two inaugurations, Governor Daniel has held a prayer breakfast beforehand for state officials.
NO SPECIAL SESSION—Haggling and suspense over who will be Speaker of the House for the 57th Legislature will continue until January 10. That is the first day of the regular session when House members, by secret ballot, will elect the speaker from their membership.
Rep. James Cotten of Weatherford asked Governor Daniel to call lawmakers together this month. New members could be sworn in and a speaker elected in a one-day session he said. This would give the speaker time to organize committees and be ready to go to work in January.
But Governor Daniel said that any legislature meeting this year would be the 56th Legislature, which could not elect a speaker for the 57th Legislature.
Reps. Wade Spilman of McAllen and James Turman of Gobeer are candidates for speaker. Both, reportedly, are "ahead."
Spilman, in a recent letter to House members, announced addition of two more pledges to him. He said, "A majority of the members have committed their vote to me for Speaker." Jim Turman says the same thing. So, the big question still is: How will the members vote?
SAFETY DRIVE LAUNCH-ED—This year's campaign for careful driving during the holidays was launched on "Safety Sunday," December 11.
Many organizations, including the Texas Press Association, will help in the annual drive to cut the Christmas-through-New Year's accident toll.
"Safety Sunday," said the governor in his proclamation of the special day, is "to awaken the conscience of every driver to the understanding that negligence at the wheel is a transgression of God's own command, 'Thou shalt not kill.'"
In past years, the governor noted, the all-out campaigns

colored people got underway this morning at 8:30 at the George Rivers Cafe in East Hamlin. The ball will continue through Saturday night and there will be a \$5 prize for the best jitterbug.
What the club should mean to Hamlin was the subject for discussion Friday afternoon when members of the Hamlin Garden Club met in the home of Mrs. J. W. Ezell.
Instruction for Making Pomander Balls Given
Want to give the house a special Christmas fragrance? Or maybe you need several "fill in" gifts for the holidays? Pomander balls, made from spice apples, tied with colorful satin ribbons, make attractive inexpensive gifts. Or they can be used as holiday decorations. These fragrant balls can be made in one easy sitting. Here's how:
Start with some whole cloves and a red, well shaped apple. Wash and dry the apple. Then beginning at the top of the apple, force a row of whole cloves in a circle around the stem. Push the cloves in up to their heads. Follow the same process with row after row of cloves until the apple is thickly covered. You can use both star shaped, headless cloves and full, knobby ones.
After the apple is studded with cloves, let it drain on paper for a couple of hours. It's then ready to go to work. Just hang it in the clothes or linen closet or put it in a decorative bowl, or basket for a hall or dining room table.

have resulted in the death toll falling below Department of Public Safety predictions.
Last year the DPS predicted 111 deaths. When the holiday season ended only 91 had died, for a total of 20 lives saved.
PROGRAM FOR AGED—Enactment of medical care for the aged and an increase in state pensions are among recommendations of a joint legislative committee to study problems of the aging.
Committee announced it would work for a constitutional amendment to raise by \$10,000,000 a year the ceiling on old age assistance. It also urged that the next Legislature pass laws to put into effect a program to provide state help for the medical expenses of needy oldsters.
Transfer of senile, but not mentally ill, patients from the mental hospitals to nursing home care was recommended.
Sen. Crawford Martin of Hillsboro, is chairman of the committee, and Rep. Howard Green of Fort Worth, is vice-chairman.
VET BOND SALE CANCEL-ED—Veteran's Land Board has set aside plans to hold a bond sale this month because of criticism from Land Commission.
Board announced its decision "with regret," declaring that the veteran waiting to buy land would be the losers.
No bonds have been sold since June, 1958, because the state ceiling on interest was too low to attract buyers.
Board said it felt the people were expressing their desire to get the program in full operation again when they approved a constitutional amendment in November to raise the interest ceiling.
Sadler had protested the sale. He said he felt the bonds could be sold at once at a more favorable rate next year after a change in the national administration.
DAM SITE RECOMMEND-ED—Millican, in Brazos County, has been recommended to the State Board of Water Engineers as the site for a proposed reservoir on the Lower Navasota River.
An engineering firm made the recommendation after a study contracted by the Brazos River Authority, the towns of Bryan, College Station and

CHEVY LES TRUCKS
Because they ride easier they last longer, too. They take better care of payloads and they make a long day's work a lot more pleasant for the driver. All that—primarily because of Independent Front Suspension (I.F.S.). If you think it's stretching a point to attribute that many advantages to a suspension system, you haven't driven a new Chevy with I.F.S. Take the wheel and feel its road-leveling ride, its almost total absence of shimmy and wheel fight, its ease of steering even in the big rigs. Spend hours behind the wheel and you're not nearly as tired. You're not and neither is the truck. That independent suspension soaks up the worst shock and vibration—the kind that can twist sheet metal and loosen joints and increase your maintenance costs. That's why Chevy trucks keep on working and saving for extra thousands of miles.

STONEWALL SCD COMPLETES BUSY, SUCCESSFUL YEAR

ASPERMONT —King-Stonewall Soil Conservation District participated in various activities during 1960 to interest people in soil and water conservation.

In April, a land and grass judging contest was held in Aspermont for the school students and in May, the district and sponsored "Soil Stewardship Week."

Activities during the year included: district awards program, in cooperation with the Aspermont Lions Club, at which Charles Abernathy of Aspermont was presented an award "Outstanding Conservation Farmer for 1960."

Five Soil Stewardship sermons preached in churches in the district and a film, "The Earth is The Lord's" shown five times.

Displays on soil and water conservation set up in the courthouse at Aspermont and the ASC offices in Guthrie and Aspermont.

A number of news articles, radio programs and tours were also used during 1960 to keep the public informed of the need for soil conservation.

There were 31,816 acres of brush control in 1960 and 2,387 acres of range seeding carried out to bring the district totals to 249,881 acres of brush control and 9,424 acres of range seeding. Also on rangeland, 33,440 acres were properly used in 1960 making a total of 27,718 acres. Some 106,025 acres were deferred for a total of 216,274 acres.

Practices carried out on rangeland included conservation mowing systems, 5,479 acres; cover crops, 2,572 acres; crop residue use and stubble mulching, 7,336 acres; terracing 213 miles; contour farming 4,750 acres, and four miles of diversion terraces.

Twenty-four livestock water ponds were completed for a total of 1,273 ponds on land in the district.

The King-Stonewall SCD now has various types of equipment for lease to landowners and operators. This equipment which can be rented from the supervisors, includes grass drills, fertilizer distributors, legume drills, land levelers, shredders and a range pitter.

Retirement Age Citizens Are Urged To File Claims

Every person past retirement age (62 for women, 65 for men), who has not yet filed a claim is invited to get in touch with his social security office before January 1, 1961. This is to make certain that no possible benefits are lost for 1960 or 1961 because of failure to file a formal claim, according to R. R. Tuley, Jr., District Manager, Social Security Office, Abilene, Texas.

The 1960 Amendments to the Social Security Act liberalized the earnings restrictions on beneficiaries, and hundreds of persons in this district who were unable to collect retirement checks before 1961 because they had not "retired," can be paid some checks in 1961. Many of them are also due some checks for 1960, but have not realized it.

Use the coupon below and mail it to Social Security Administration, Box 5168, Abilene, Texas, for accurate information on your rights:

OLD GLORY NEWS--

By HELEN DIERS

The ice on the road has kept many people in Old Glory from making Christmas shopping trips into town, although it did not keep several men from going deer hunting. Garrett Spitzer and Louis Spitzer and their wives went hunting last week-end. Buster Tredemeyer went this past week-end.

Because of the weather, the Old Glory Grade School tournament has been postponed until a later date which all participating teams can meet. In the girl's games, Guthrie still has to play Aspermont; Avoca forfeited to Rule; and Girard and Rule play in the finals. Peacock had forfeited to Girard. In the boy's bracket, Avoca forfeited to Rule; Guthrie and Aspermont have to play and Rule and Girard will play. Jayton will be in the finals. A date has not been set as of

the time this news is written. The wedding date of Bity Gardner and Loy Zane Garner has been set for January 8. Bity is from Aspermont and Loy is a former student of Old Glory High School.

Mr. and Mrs. R. O. Gibson from Sagerton and R. O. Gibson, Jr., and Gloria of Stamford, were guests in the home of Mr. and Mrs. T. E. Bell Sunday. The R. O. Gibson Sr. are the parents of Mrs. Bell.

Paper plates were covered with macaroni and rice in a design and a flower made of shell macaroni and other materials was placed in the center. They made their own wrapping paper by coloring their own designs on plain paper and placing colored ribbon on each package. The macaroni and flowers were

OBLIGATION IS MORE THAN MORAL

Dear Amy:

We have some friends who have a cousin, a widow. These people were out together one night and on returning to the widow's home, parked their car. When they started to leave, their car failed to start. The man asked the woman to push the car to try and start it which it failed to do.

Now in pushing the car, the widow's back was severely injured and she has had to spend a great deal of money on doctors and is unable to work. So far as we know, these people have done nothing to help their cousin and apparently don't feel any sense of responsibility. To our way of thinking, there is very definitely a moral obligation there if nothing else and in our estimation, people who dodge their moral obligations are something less than worthy of our friendship.

We would like to hear your views on a situation like this.

Just Wondering

Dear Wondering:

This is strictly a family affair and should not alter your friendship with these people. However, if the widow feels they are doing her an injustice and wants to pursue it further, she should take the matter up with a lawyer to ascertain whether they have a "financial" obligation for her injuries.

Dear Amy:

The teen-ager who wrote that you are prejudiced in favor of parents doesn't know what she is talking about. I follow your column very closely and have always noted your impartiality in resolving the constant problems between parent and child.

My son wrote you some time ago and he showed me your reply. It pointed out the way for a better understanding between father and son and I want to take this opportunity to thank you.

Dick's Father

Dear Amy:

Here is my answer to "Teen-ager" who thinks you are prejudiced. You are the one who can best give advice because you have been a teen-ager and now you are a parent. You can see both sides of the story and are familiar with these problems more so than the parents or the children.

I am a mother of two lovely

girls who are not yet in their teens. I just hope I can be as good a mother as mine was. I thought my mother was the meanest in the world and that she wasn't fair because she wouldn't let me come and go as I pleased. Now that I'm married and have a little sense, I can look back. I don't see how my mother ever stood me. It was me. She was wise in the way she handled me. At least she kept me decent. I know now I have the most wonderful, precious mother in the world and I love her with all my heart.

This teen-ager will see things differently when she becomes a parent!

A Mother

Dear Mother:

From one mother to another, thanks a million for your letter. I hope all teen-agers will read and profit!

Dear Amy:

In reply to "Teen-ager" who claims you're on the side of the parents all I can say is, though at times you're rough, you always play fair and call the shots as you see them! Keep up the good work.

A Texas Teen

Dear Amy:

I'm 28 years old and have been dating for about ten years. My parents are quite concerned about my still being single. I just can't seem to find the right man, perhaps I feel that the men I've met are not good enough for me. What am I supposed to do? Marry the next fellow who comes along just to satisfy my parents?

Still A Miss

Dear Miss:

You must satisfy yourself. The girl who thinks no man is good enough for her may be right but she is more often left!

PERSONAL TO Wanting to Get Married:

Here are the facts: At 18, he is supporting a car and a loan company. Do you expect him to support a wife too!

Mrs. Bingham Tells Hamlin OES About State Convention

At the Christmas meeting of the Hamlin Chapter Number 460 Order of the Eastern Star, Tuesday evening, December 6, Mrs. Bonnie Bingham, worthy matron, gave a report of her trip to the 78th Session of the Grand Chapter of Texas, Order of the Eastern Star in Dallas October 31-November 3.

Highlighting her trip to Dallas was attending the session of the 52nd Annual Conference of the Grand Chapter.

Mrs. Bingham also told of the work being done by the Pink Ladies at the O. E. S. Home in Arlington. These women give 100 hours of service to the home and receive no pay for the services. This past year 311 ladies and two men were recognized as having participated in this service.

She also gave a report of the Pusan Children's Hospital in Pusan, Korea. The hospital was started during the Korean War by American servicemen who were Masons. It is the only hospital in Korea that is exclusively for children. It is supported by contributions from Masonic Lodges and Eastern Star Chapters in the United States.

As a special tribute to past matrons and patrons Mrs. Sam Ferguson wrote the program "This is Your Life, Hamlin Chapter No. 460 O. E. S." which highlighted the years served by the past matrons and past patrons who were present.

The past matrons were Mmes. W. B. Cotten, A. Hudson, Myrle Copeland, Dick Maberry, Fred Smith, Jack Vaughan, Kelly Scott, Joe League, Roy Watson, Clarence and Mrs. Don Lock, junior past matron.

Charles Abbott, Kelly Scott, Roy Watson and Clarence Hyere were past patrons who were present.

This group was escorted to a circle of honor and Mrs. E. D. Miller and Mrs. Everett Gibson presented them with Christmas corsages and boutonnieres of white carnations sprinkled with red and green tulle.

Mrs. J. E. Corey was recognized as the oldest member present. The chapter was organized in 1914, and Mrs. Corey became a member in 1920.

Following the reading of the Christmas story from the Bible by Mrs. Everett Gibson and the singing of Christmas

songs, the group was visited by Santa Claus. The members exchanged gifts and also placed Christmas remembrances in a box for Mrs. Hattie Richardson, a member of the local O. E. S. chapter who is making her home at the O. E. S. Home in Arlington.

Refreshments were served from a table laid with white linen and centered with a small red net Christmas tree trimmed with small silver balls in angel hair.

Mmes. Clay Douglas, J. R. Ray and Bob Norris Jr. served. Other tables in the dining room were covered with white cloths and centered with traditional Christmas decorations.

PROMISE A PRINCESS FOR CHRISTMAS

Well, it's that time of year again when the men of Hamlin tackle the problem of selecting something for Christmas for the "Lady-of-the-House". Some men never seem to know what to choose. So they end up with some unimaginative item—a compromise between something she doesn't really want and something she doesn't really dislike. (Ever happen to you?)

In any case, here's good news for Christmas shoppers. A Christmas surprise she'll use and treasure all year long... the new, streamlined Princess phone.

It's little, the ladies love it, and it lights. The dial glows more softly than a light on your Christmas tree, and when you lift the receiver, it shines brightly for easy dialing. It has a smart new oval shape, too.

So, why not "promise her" a Princess phone for Christmas. If you want to surprise her, we have a Christmas tree-shaped gift certificate to hang on the tree. It unfolds to show her the colors in which the Princess phone is available. White, pink, turquoise, blue and beige. After Christmas, we'll install the Princess phone in the color and place she likes best.

Like to order a Princess phone for your "Best Girl?" Just call the telephone business office.

GET NUMBERS NOW FOR HOLIDAY CALLS

I know a lot of folks in Hamlin will be making Long Distance calls over the holidays, and so will thousands of others all over Texas.

To get everybody's call through as fast as possible, it's especially important you call by number.

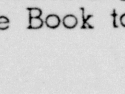

If there are numbers you don't know, the Long Distance Operator will be glad to get them for you ahead of time so you'll have them when you call around Christmas or New Years. This number service is free now and every day of the year. We'll also send you a free Blue Book to keep a record of your numbers.

HOLIDAY GREETINGS

I'd like to take this opportunity, on behalf of all of us at the telephone company, to extend our very best wishes to you and all the members of your family for this holiday season. Have a "Merry Christmas" and a "Happy New Year."

Call by number. It's twice as fast.

FAIRVIEW NEWS--

By MRS. ELMER JOINER

The news out our way the past week has been the weather, rain, snow, and ice, so every one spent most of the time at home trying to stay warm. Those attending "M" night at Stamford, last Monday night,

from Fairview were, Mr. and Mrs. W. W. Goodwin and Linda, Mrs. Sharlot Gabriel, Mr. and Mrs. W. O. Gray, Rev. and Mrs. Doyle Combs and children.

The pastor and family were the only ones from the church at the Rural Church Achievement Program in Anson, last Friday.

Mrs. Sharlot Gabriel and Lynn went to the singing at the Hanna Baptist Church on Sunday afternoon and reported a good singing.

Mr. and Mrs. Ken Morrison and children of Abilene, visited her parents, the Ralph Riddles Sunday.

Mr. and Mrs. W. O. Gray and Joyce, went to Earth, Texas Monday.

Joyce Gray returned home Saturday from Austin, where she went to take the state exams for a beautician's license.

Mrs. Elmer Joiner and Mrs. L. R. Faulkenberry attended the Home Demonstration Club Christmas party in Anson last Friday.

The Combs and Grays visited the Goodwins Thursday night.

Mr. and Mrs. Flavel Holmes had as visitors Sunday, her sister and husband from Pampa.

Mr. and Mrs. K. O. Clements. A note from Mrs. Roy Watts reported she was home from the hospital and feeling better. Mrs. John Beauchamp is also home and doing fine.

Mr. and Mrs. O. L. Jenkins think it has been a long week as they have been mud-bound and couldn't get out.

The Fairview church will have the family night and the Christmas tree Thursday night, December 22nd, at the church. This will consist of a Christmas program, gift exchange and sacks of goodies for the children from Santa.

As Christmas Day falls on Sunday this year, the church decided to have Sunday School at 9:00 a.m. and preaching services at 10:00 so the ladies would have time to finish their dinners and those planning to go somewhere to eat would have time to go to church before leaving.

PIPER PATTER

by Montie Wade

B. V. Newberry, HHS principal, has been selected director general of the 6-AA interscholastic league meet that will be held here in Hamlin in the spring. The superintendents of Spur, Haskell, Stamford and Hamlin composed the selection committee.

Foster Cook, Hamlin Superintendent, stated Tuesday, that school will close for the Christmas holidays on Wednesday, December 21, at 2:45 p.m. School will resume on Tuesday, December 3.

The annual Band Christmas Concert will be given in the Hamlin High School auditorium on Monday, December 19, at 7:30 p.m. Tickets are now being sold by elementary, junior high, and high school band students. Admission is 50 cents for adults, 25 cents for students, and children under six will be admitted free.

The National Honor Society held its Christmas party in the home of the A. A. Wades last Monday night. Eleven of the fourteen members were present, their sponsor, Mrs. Charles Scott, Mr. and Mrs. Newberry, and Mr. and Mrs. Wade. Refreshments of punch, sandwiches, fruitcake, cookies, and homemade candy were served. A small token of appreciation was given to Mrs. Scott Suzanne Jenkins, NHS president, represented the group by presenting the gift.

Hamlin High School "B" team basketball star, Mac Cade, will be eligible to play for the "A" team on January 6, 1961. Mac moved here a year ago from that date, and according to interscholastic league rules, he will be eligible to play for the "A" team one year after enrolling in school.

The senior class wishes to thank every one who supported the concession stand during the recent tournament. The seniors will continue to occupy the stand throughout the rest of the basketball season. During the past months Milborne Crawford and Tommy Boen have been among the most faithful and dependable workers in this project.

Hamlin Invited To Have Special Day at Stock Show

FORT WORTH—An invitation has been sent to the Hamlin Chamber of Commerce to have a special day at the 1961 Southwestern Exposition and Fat Stock Show here. Dates for the exposition are January 27 through February 5.

By having a "day" at the Fort Worth Stock Show Hamlin would receive a special recognition and publicity at the Stock Show and throughout North and West Texas, according to W. R. Watt, Stock Show president-manager.

The invitation provides special block reservation of seats for the rodeo. The local band is invited to play a concert on the Stock Show grounds and guests of the Stock Show management at the rodeo. The 1961 Fort Worth rodeo will feature the famous chariot race between two four-horse teams from the "Ben-Hur" movie.

Also, the city is invited to name a cowgirl sweetheart to wear western attire and ride in the rodeo grand entry. Riding clubs in the area are also invited to ride in the opening day parade or in the rodeo grand entry on the city's special day or both.

Many cities and organizations make annual trips to attend the Fort Worth Stock Show, which will be observing its 65th season.

Born to Mr. and Mrs. Oscar Dickerson of Aspermont, a boy, who was named David Brian, on December 6, and weighed 7 pounds and 12 ounces.

STAR-STUDDED DOUBLE BILL COMING TO ROGUE SUNDAY

The Rogue Theatre is bringing to its screen this Sunday two star-studded productions, "Midnight Lace" starring Doris Day and "High Time" with Bing Crosby. Both features start Sunday and run through Wednesday.

Doris Day, a beautiful, care-free American heiress, is happily married to Rex Harrison, an English industrial tycoon. But she is driven to near insanity by a series of mysterious fifth laden - telephone calls threatening her life and subsequent incidents that establish that the threats are more than the machinations of a moronic crank.

However, since nobody else ever hears the phone calls, Rex and Myrna Loy (Doris' aunt) begin to suspect that Doris might be making the threats up so as to get more attention from her busy husband.

Meanwhile, John Gavin is supervising the construction of a building being erected next door to Doris' apartment house and she is able to call upon him for help when odd events

start to happen, such as falling timber almost hitting her and when she thinks there is someone prowling around in her apartment.

In a hair-raising climax, the villain is exposed and Gavin is on hand to save Doris' life.

No one will be admitted to "Midnight Lace" during the final 37½ minutes and patrons are requested not to reveal the unique plot development or exciting climax of the picture.

Good pictures with collegiate themes have not been plentiful in recent years, but 20th-Fox is delivering one that should start a new trend. With Bing Crosby in the top role and surrounded by Fabian, Tuesday Weld, Nicole Maurey and a host of exciting youngsters, "High Time" is a happy-go-lucky, swiftly paced story about a 51-year-old man who enrolls as a freshman and goes through four years of college life, complete with studies and romance and comes out a better man.

Filmed in Cinemascope and in De Luxe Color, the picture has strong selling points with such names as Crosby and the teenage idol Fabian. Crosby doesn't do as much crooning as some fans would like, but he does well with the one of two songs he renders. Miss Maurey delivers a fine performance as the love interest, portraying a teacher in the school.

A highlight is a sequence in which Crosby, masquerading as a woman in line with his fraternity initiation, crashes a sedate party at which his son and daughter are guests.

The picture was produced by Charles Brackett and directed by Blake Edwards, from a story by Garson Kanin and screenplay by Tom and Frank Waldman.
